HENDRIE COLORS TO FORE

His Filly Estero Wins Walkerville Handicap at Windsor.

Poor Ride Helps Defeat Odds-On Favorite, Lord Wrack—Hot Finish in Substitute Race.

WINDSOR, Ont., July 15.—George M. Hendrie's Estero, ridden by jockey Willis, accounted for the Walkerville Handicap at three-quarters mile for three-year-olds and over, which served as the principal race of the second day's card at the Windsor Jockey Club. Louise V. and Charlie Leydecker divided the remainder of the $2,000 purse. Louise V. set the pace to the eighth post, where Estero moved up with a determined challenge and gradually drew away. The winner swerved in front of Louise V., causing Butwell to ease up his mount. The interference was not important, inasmuch as Louise V. was well beaten. Charlie Leydecker closed fast in the good going after being badly outrun. Commodore, the only other starter, although nine years old, was facing the starter in a race for the first time.

J. B. Respess' Lord Wrack was held to outclass his opponents in the mile dash, run as the fifth race, and his backers were a surprised and disappointed lot when they saw Jean Bullant lead home the favorite by a length. A poor ride helped to defeat Lord Wrack. He gained steadily from a poor beginning and but for being brought wide in the stretch would certainly have made it interesting for the winner. Morris gave Jean Bullant a splendid ride and saved ground with him on the turns, which enabled the winner to hold Lord Wrack safe when he threatened in the final eighth.

Twelve maiden two-year-olds faced the barrier in the opening dash and Beg Pardon, owned and bred by R. P. Marshall, led all the way, gamely withstanding every challenge made by Old Chap and Golden Autumn, which were the only serious contenders, finishing second and third respectively.

Mallowmot took the substitut race after a fiercely contested final eighth drive, in which the winner was in doubt until the final stride. Gala Dress was forced wide on the far turn and came again, just failing to get up.

Colonel Wm. Hendrie was an arrival from Hamilton.

J. H. Madigin, president of the Niagara Racing Association, and Edward Mills were among the day's visitors from Buffalo.

The race scheduled as the second on today's card was declared off and another of like conditions substituted with the result that Mouette ran in place of Maladroit. The latter was injured at exercise this morning.

In line with the announced intention of the Montreal Jockey Club to feature steeplechasing in the fall, the Connaught Park and Ontario Jockey Club officials will program special events for the timber toppers at their respective courses.

Officials of the Canadian Racing Associations held a meeting today and passed upon the applications for licenses of jockeys and trainers.

General Haig fell lame in his race yesterday.

Jack Adkins received the Kirkfield Stable horses from Fort Erie this morning after some delay in shipment.

Jockey Erickson was suspended for three days by the starter yesterday.

Alvord, Summer Sigh and Mayor House have been added to the schooling list.

Jockey Lux was notified today of a ten-day suspension meted out by the Canadian Racing Associations for rough riding astride Sinn Feiner on the last day at Fort Erie.

Remy Dorr and Harry Quinn, two New Orleans followers, are among the arrivals from Kentucky.

Leo Hottel of Indianapolis is a visitor. He will take in the meeting here and at Kenilworth.

DARDEN MARES SENT TO TENNESSEE

LEXINGTON, Ky., July 15.—W. W. Darden of Nashville has shipped his mares from Ashland to his Tennessee farm. There were six mares in the consignment, as follows:

Nannie Hodge and bay filly, by George Smith; Droll and bay colt, by George Smith; Miss Mooney and chestnut filly, by Ballot; Misplay and brown filly, by George Smith; Mrs. Sewall and bay colt, by Malamont; Trifler, by Ogden—Fads and Fancies, by Yankee.

Nannie Hodge, Droll, Miss Mooney and Trifler have been mated this year with George Smith; Mrs. Sewall was sent to The Manager and Misplay to Ambassador.

The Darden yearlings will be shipped to Kentucky and will go along with the C. H. Berryman yearlings to Saratoga to be sold in August. The yearlings include a colt by Sweep from Droll, a colt and filly by Ballot from Mrs. Sewall and Miss Mooney respectively, and a filly by Light Brigade from Misplay by Man o' War's sire, Fair Play, from Miss Hanover, dam of the Kentucky Derby winner, Worth, Hanovia, by Hanover.

LATEST NEWS FROM BLUE GRASS STATE

LEXINGTON, Ky., July 15.—Major T. C. McDowell, who decided not to sell his yearlings this year, had the ten youngsters brought in today from Ashland Farm and some of them got their first lessons before noon. Nine are by The Manager, the colts being sons of King's Daughter, Star Jasmine, Alanarka, Star Cat and Auriga and the fillies, daughters of Little Daughter, Caution, Dream Girl and Schoolmistress. The other is a chestnut filly by Delhi—Miss Bellamy.

T. L. Pierce today took up the yearling chestnut colt by Delhi Dam—Running Queen. She is the property of Harry Crawford of Cincinnati.

Helmet, property of E. R. Bradley, was added to William Woodard's string of horses for the 300 mile endurance test, to be run next fall.

There is no improvement in the car situation here and horsemen intending to ship yearlings to Saratoga have about made up their minds that a special freight train will be the best they can get.

WONDERFUL MEETING AT AQUEDUCT

QUEENS COUNTY JOCKEY CLUB PROVIDES SEVENTEEN DAYS OF HIGH-CLASS RACING---$182,325 DISTRIBUTED IN STAKES AND PURSES

Seventeen days of high-class racing was provided by the Queens County Jockey Club at its popular Aqueduct course, the meeting beginning on June 24 and ending July 13. There were 102 races run, including twenty stake features, and the goodly sum of $182,325 distributed among the successful horsemen. The daily average distribution amounted to $10,723. Not since the prosperous years of the turf in 1905, 1906 and 1907 were seen such crowds as witnessed the racing at Aqueduct. The daily attendance was exceptionally large, and on Saturdays the home of the Queens County Jockey Club was entirely inadequate to accommodate the great gatherings that assembled there. The outstanding incident of the meeting was Man o' War's wonderful performance in the Dwyer Stakes, in which he defeated John P. Grier in one of the most thrilling races seen on the American turf in years and in so doing established a new American record for a mile and an eighth. The attendance on that occasion was estimated at 40,000.

S. C. Hildreth, by virtue of Cirrus' two brilliant victories in the Brooklyn and Queens County Handicaps, finished at the top of the list of the winning owners, with H. P. Whitney a close second. The following are the owners who won $500 or more each:

With the majority of the foremost jockeys in the country riding at Aqueduct the rivalry for the leading saddle honors was at all times keen, with the result in doubt to the last day. C. Turner finally won out with ten winning mounts to his credit, one more than L. Fator had, while Rice, Kummer, Sande and Ensor closely followed in order named. The following are the jockeys who rode one or more winners:

MUDDY TRACK AT EMPIRE

G. W. Loft's Maiden Racer Halu Wins Frivolity Stakes.

Claremont Purse to Irish Dream —Empire City Derby Expectations.

NEW YORK, N. Y., July 15.—The twelfth running of the Frivolity Stakes was the feature of the second day's racing at Empire City and Max Hirsch furnished the winner of it in G. W. Loft's King James colt, Halu, with Eye Opener second and Hard Guess third. The winner was ridden by Barrett and displayed a high order of speed in the muddy going, scoring in a manner that suggests further improvement.

While the stake event was accorded the principal place on the program the Claymore Purse, run as the second race, excited more interest among the regulars. However, the withdrawal of Elmendorf and Toujours left only three to face the starter, with favoritism divided between Irish Dream and Pastoral Swain, the former winning, with the outsider, Chasseur, beating Pastoral Swain for second place.

J. Livingston's Oriole, a son of Assagai—Hawksora, accounted for the initial race of the afternoon, while in the third War Club, ridden by Zoeller, had the best of the mile and a sixteenth dash, with Porte Drapeau and Court Fool taking the minor portions of the purse.

The speedy Sweep filly Penelope took the measure of a fair band of platers in the fifth race, and Zoeller piloted his second winner of the afternoon when he brought home Ballybell first in the concluding race.

Adverse weather conditions made the track muddy, but failed to deter New Yorkers from witnessing their favorite sport, today's attendance being of goodly proportions.

Patrons of the Yonkers course are hoping that Victor Schaumburg, racing secretary of the Empire City Racing Association is bringing together Man o' War and John P. Grier in the Empire City Derby next Saturday. Should the two three-year-old stars engage in the Derby, Man o' War would carry 130 pounds and John P. Grier two pounds the best of the weight as compared with the imposts the two colts carried in the Dwyer Stakes at Aqueduct when Man o' War carried 126 pounds and John P. Grier 108. Mr. Schaumburg says that Louis Feustel, who trains Man o' War, promised him during the Belmont Park meeting that he would send the son of Fair Play to the post in the Empire City Derby.

JOCKEY KUMMER IN POPULAR FAVOR

NEW YORK, N. Y., July 15.—Jockey C. Kummer's temporary absence from the saddle, due to a shoulder fracture sustained when his mount, Costly Colours, fell during the running of the sixth race at Aqueduct Monday, is regretted by turfmen and public alike who have come to regard the rider as an integral cog of the greatest of all racing machines—Man o' War. This is not meant to convey the impression that without Kummer the Riddle colt would be less great, but only that the spoken name of the horse is immediately associated with Kummer, his rider, and with this combination have turf followers become familiar. Last year mention of Man o' War instantly recalled Loftus, and so it has been through racing's pages—the names of "one rider" horses are legion.

Recently we have had Sun Briar and Knapp, Roamer and Butwell—later Schuttinger—Cudgel and Lyke, Billy Kelly and Sande, Short Grass and Keogh, Boots and Fairbrother, Pennant and Notter, Flying Fairy and Davies, Friar Rock and Haynes, and others. A decade or so ago there were Roseben and Shaw, Domino and Taral, Sysonby and Nicol—although this champion was ridden by Redfern, Shaw and Martin—Colin and Miller, Irish Lad and N. Turner, Sir Martin and J. Lee, Hermis and Rice, and Salvidere and Sewell. Combinations of horses and rider such as these have always proved popular with the public.

Kummer's handling of Man o' War this year has been beyond reproach, although but one opportunity—the Dwyer—presented where skillful riding was requisite. Man o' War's speed carries him to the front early, but that he could win, as it has been said, with "a sack of wheat on his back" is not taken seriously. With Kummer the three-year-old has won the Preakness at Pimlico, the Withers at Belmont Park, The Belmont Stakes at Belmont Park, the Stuyvesant Handicap at Jamaica and the Dwyer Stakes at Aqueduct. Kummer's riding record from January 1 to July 12, when for a time his riding activities ceased, is as follows:

Mounts.	First.	Second.	Third.	Unplaced.	PerCent.
172	32	35	34	29	.19

Kummer has been riding at or over 110 pounds.

JUMPING RACES AT BLUE BONNETS

MONTREAL, Que., July 15.—The Montreal Jockey Club announces that it will feature races through the field at its fall meeting at Blue Bonnets, which will be held from September 9 to September 16. Two $2,000 added stake events will be scheduled for the jumpers. There will be a race at a mile and a half especially for three-year-olds and one at two miles for four-year-olds and over. One jumping race a day is the promise.

KENILWORTH PARK OPENS ON JULY 22

WINDSOR, Ont., July 15.—Wash Norvell, who will act as racing secretary at Kenilworth Park for the meeting to be held there from July 22 to July 29, distributed the program books among the horsemen at the Windsor track today. The program calls for four stakes, each of $5,000 added value. On stake days the distribution will amount to about $14,000, and $10,000 on the other days.

GENERAL STUD BOOK ATTACKED AGAIN

Australian Writer Says Credit of Great Winners to Family Four Belongs to Family Eleven.

(BY F. L. McKENNEY.)

Our own Man o' War yet may break into the closely guarded pages of the English Stud Book. Up to the present the authorities across the water have held the great son of Fair Play and Mahubah to be ineligible to the English breeder's "holy of holies" by reason of the taint on the female side of the pedigree of his great grandsire, Spendthrift. Lately, however, astute students of the thoroughbred in British countries have been partially, at least, pulling down the Stud Book structure. The Stud Book is not perfect, it has been brought to light, and there is no telling where the work of destructive criticism will end. And in it all Man o' War may come out triumphant.

The chief flaw so far pointed out is the published ancestry of the Herod mare Expectation, tenth dam of Man o' War. Bruce Lowe's families are jumbled up a bit by the latest discovery. The situation is set forth in the Melbourne publication, "The Australian," in the issue of May 29, as follows:

"A correspondent has raised the question as to the correct Bruce Lowe family number of Trafalgar and all horses descended from the Herod mare Expectation. In the earlier editions of the English Stud Book Expectation was described as being by Herod from a mare by Skim, from a mare by Janus from Spinster, by Crab from the Widdrington mare, by Partner, and therefore descended from the Layton Barb mare, the fountain head of the No. 4 family. However, in the fifth edition of volume 1 of the General Stud Book the compilers inserted a footnote as follows: 'Mr. Vernon's own stud book gives this Skim mare (dam of Expectation and Telemachus) as out of Young Country Wench, by Janus, from a mare by Crab, and Telemachus was entered and advertised as dam by Skim-Janus-Crab, which is right of both pedigrees.'

"Young Country Wench was descended from the Sedbury Royal mare, which founded the No. 11 family. The footnote quoted also appears in the Herman Goos tables. It is difficult to understand why the compiler of the Stud Book, with that evidence before him, did not correct the breeding of the Skim mare in the Stud Book. Of course, it would have necessitated the correction of hundreds of other pedigrees in subsequent volumes, and as the pedigree was incorrectly given in the previous four editions of the first volume of the Stud Book he evidently decided it would be better to allow matters to stand where they were. Had the correction been made, it would have resulted in the No. 4 and the No. 11 families changing places.

"Fifteen of the classic winners descended from Expectation should really be credited to the No. 11 family instead of to the No. 4. That done, the position of the families is transposed. Classic winners descended from Expectation include Thormanby, Wenlock, Kisber, Bona Vista, Apology and Common."

Moved over from the No. 4 family, where it has been supposed Man o' War belonged, to No. 11 the American champion acquires as relatives St. Simon and other illustrious horses. Australian, sire of Spendthrift, is a No. 11 horse, as are Orme, Love Wisely, Rightaway and Marvelous.

BUSY SIGNAL TO RACE AT SARATOGA

SARATOGA SPRINGS, N. Y., July 14.—Busy Signal, the conqueror of Cleopatra in the Latonia Oaks, is one of the strong stable for which Edward R. Bradley of Lexington, Ky., has engaged stabling here for the impending summer meeting of the Saratoga Association. Busy Signal is the Bradley candidate for the Alabama, Saratoga's great $10,000 race at one mile and a quarter for three-year-old fillies, and in the Alabama she will meet Cleopatra again, also Pontypridd, the crack three-year-old filly of the stable of John Sanford of Amsterdam.

Busy Signal is not unknown to patrons of Saratoga racing. She won here last summer. She is a daughter of Cunard—Sweet Alice, and a sister of Bradley's Choice. Bradley's Choice and Busy Signal were bred by Mr. Bradley at his Idle Hour Stud. Bradley's Choice, which once had the reputation of being a sprinter, won a race of one mile and a half, which distance he covered in better than 2:33, at Latonia the other day.

Busy Signal's breeding shows a combination of fashionable American and English blood lines, as a glance at the following reveals:

HUNTING, FISHING AND SPORT.

Word from Seaford, L. I., is to the effect that flounder fishing in the Great South Bay is now at the top notch. Five men had 800 one Sunday, many of them the big sea flounders that are now in the bay and all of them above half a pound.

A monster petrified fish, about fifty feet in length, has been discovered incased in the rocks in Garfield County, Utah, about seventy miles east of Panguitch, by Sheriff James Goulding of Garfield County and T. W. Smith of Salt Lake, who have been prospecting in that section.

For the year ending May 31, 1920, the Pennsylvania Game Commission paid out $113,802 in bounties. The money was paid for the destruction of wildcats, foxes (both gray and red), minks and weasels, the number of each killed being as follows: Wildcats, 4,718; gray foxes, 2,408; red foxes, 2,270; mink and weasels, 48,885.

HEALTHY TONE TO NEWMARKET SALES

Record of Purchases of First Day and the Highest Prices Brought.

LONDON, England, July 2.—The Newmarket summer sales of three days were to good prices with a high general average. There is a general impression that there is not so much money about for yearlings, though on the other hand many of those offered at Newmarket were of a moderate character. The money for the best stuff seems to be in pockets. Some of the youngsters were criticized as being small and rather set. The feeling here is that prices will not be quite on the same high level as last year. The general slackness of trade and uncertainty of financial position must inevitably have its effect on the results of these sales. But anything of real class made the money.

The animals sold the first day, June 29, for $2,000 and over, with the pedigrees, purchasers and prices are as follows:

SARATOGA COMING SALES ATTRACTIVE

American Breeders Will Offer Their Best Yearlings —Dates for the Offerings.

SARATOGA SPRINGS, N. Y., July 15.—Upward of $750,000 worth of thoroughbred yearlings and brood mares were sold under the hammer at Saratoga Springs last August in the course of the race meeting conducted by the Saratoga Association for the Improvement of the Breed of Horses and that substantial total will be passed in the sales of next month. Last year Saratoga had nearly all the sales business of the East and most of that of the entire country. This year the entire sales business of the East has been concentrated by E. J. Tranter in the hands of the Fasig-Tipton Company of New York, of which Mr. Tranter is the president and general manager, and it is the purpose of the Fasig-Tipton directors to bring it all to Saratoga.

The concentration of the thoroughbred yearling sales business here has invested the most picturesque racing place on the North American continent with a new attractiveness to men and women of various parts of the United States, Canada and Cuba interested in thoroughbred production. Last year it filled the great hotels with hundreds and thousands of men and women to whom racing alone has held only a detached interest. It has made Saratoga, in fact, the Newmarket of America, a distinction no other American racing center has ever had.

Mr. Tranter is of the opinion that the yearlings that will be offered here this year will fetch quite $1,000,000, if not more, and that the unusually heavy individual prices realized last summer, when a man was considered a piker if he stopped at a bid of $10,000, when $12,000 to $15,000 yearlings were common and some fetched $22,500, $24,500 and $25,000, will be topped. There has not in twenty-five years been the heavy demand for thoroughbred stock there is this season. A plater that could with safety be risked for $1,000 to $1,500 last season and the season before is grabbed today at $3,000. A developed horse of class is practically unpurchasable. Persons desiring racing material must necessarily look to the yearling market and take the gamble incident to the development of new and raw stuff.

SALES ATTRACT SOCIAL SET.

The sales, which are held in the commodious new establishment of the Fasig-Tipton Company, have assumed the character of social functions. They are held afternoons and evenings and parties of men and women attend as they do dances, teas and dinner parties at the lake, always in evening dress when they are held under the glare of electric lights.

The sale of August 4 will be made up of consignments from the establishments of Miss Elizabeth Daingerfield, Charles H. Berryman, W. W. Darden, T. J. and G. H. Clay, C. E. Clement, Emil Herz, Mrs. Wilfrid Viau and D. W. Scott. Beaumont Farm, W. B. Miller and Huntingdon Valley Farm will sell August 5; Arthur B. Hancock, Capt. Philip M. Walker, Admiral Cary Grayson and Charlton Clay, August 6; Mr. Kilmer and J. S. Barbee, August 9; the Belair Stud, former U. S. Senator Johnson N. Camden, John H. Morris, Kenneth Alexander, Sanford C. Lyne and C. W. Parrish, August 10; various breeders of Hopkinsville, Lucas and Broadhead Combs, Gifford A. Cochran and W. C. Goodloe, August 11, and Henry T. Oxnard, August 13.

The thriving breeding industries of the states of Kentucky, Tennessee, Virginia, Maryland, Pennsylvania and New Jersey, as well as that of New York, will be contributors to these sales. Ellerslie, whose yearling consignment to last summer's sales fetched upward of $110,000, is one of Virginia's leading nurseries. The Oxnard and Walker establishments, also, are in Virginia. Huntingdon Valley Farm is a new Pennsylvania establishment. Belair is William Woodward's thriving stud in Prince George County, Maryland, which is represented in racing this season by the brilliant sprinter Lion d'Or and the smart two-year-old Nancy Lee.

AQUEDUCT'S SUCCESSFUL MEETING

NEW YORK, N. Y., July 15.—The Aqueduct meeting which closed Tuesday was the most successful, from all standpoints, ever enjoyed by the Queens County Jockey Club, James Shevlin, president of that organization so declared. Mr. Shevlin leaves in a few days for Saratoga, where he has spent the months of July and August for many years.

"The public seems to have taken to racing in a remarkable way," Mr. Shevlin said. "There is this to be considered, in a period of unrest people look for amusement. It was this way during the Civil War. I only hope racing has come to stay, for it is a grand sport as conducted under the auspices of the Jockey Club."

T. L. C., St. Louis, Mo. No replies to initials.

D. H. P., Cincinnati, O. It lost. Accidents of racing are at the backer's risk.

J. P. M., Hot Springs, Ark. Pilsen was not entered in the race inquired about.

V. G., New Orleans, La. The average price of Faunus in his winning race of July 7 was $3.10 to $1.

B. T. A., Louisville, Ky. Four p. m. Fort Erie would be 3 p. m. Louisville. No replies by telegraph.

G. R. McK., Chicago, Ill. Wagers on Lockrose in the race inquired about were draws. It was La Kross and not Lackrose that was entered and ran.

T. M. T., Denver, Colo. A parlay of July 9 on Clintonville and Minto II. simply won as a single wager on Clintonville, becoming void on Minto II. when he was scratched.

J. D. K., Chicago, Ill., and others. Slippery Elm and Irish Kiss were the R. A. Smith entry in the Frontier Handicap at Windsor. They usually race as the Sunnyland Stable, but belong to Mr. Smith, and wagers on the Smith entry would have won.

CURRENT NOTES OF THE TURF

S. C. Hildreth has hopes of having Lucullite in prime condition for a strenuous campaign at Saratoga.

Only three two-year-olds have won over $10,000 thus far this year, they being Careful, Centimeter and Tryster.

The western division of J. W. McClelland, including the good three-year-old Prince Pal, has reached Saratoga from Latonia.

For misbehavior while at the post in the second race at Delorimier Park Wednesday jockey Ryan was assessed $25 by starter Tribe.

According to eastern reports trainer H. G. Bedwell is quoted as saying that Sir Barton is training soundly and will be ready for the Saratoga racing.

Ballast was claimed out of the sixth race at Aqueduct Tuesday by W. H. Fizer for $2,025. Berlin, which won that race, went to T. Laydon on his claim of $2,250.

The California State Fair will be held at Sacramento, Cal., from September 4 to September 12, and the program provides for three running races each day in addition to the trotting and pacing events.

The officials for the Kempton Park meeting, which opens Saturday, will be as follows: Stewards, W. W. Lyles and W. J. Morrison; presiding judge, Sheridan Clark; associate judges, Charles Campeau and E. C. St. Pere; starter, Edward Tribe.

Paul Fox, who races his horses under the name of the Crow Point Stable, has sent his stable to Saratoga. Bluffer, the good two-year-old by Ballot—Hanover Queen, by Longfellow, is the stable's chief dependence. This colt has recently earned brackets and is entered in most of the principal fixtures for two-year-olds at Saratoga.

A. B. Dade, starter on the Kentucky tracks, and James Osborne, his assistant, are in New York for a brief visit. Mr. Dade will shortly return to his home in Henderson, Ky., to rest until the opening of fall racing in Kentucky. Mr. Osborne will go direct to Lexington, where he has been engaged to do the starting at the Blue Grass Fair.

The officials at Reno are determined to severely punish any infringements against the rules of racing. Last Saturday they fined jockey Mulcahy $25 and set him down for three days for rough riding. Jockey Archambault was indefinitely suspended for an unsatisfactory ride on I. W. Harper, while owner Henry Smith and his horses were warned away from the track.

GENERAL NEWS NOTES OF THE DAY

The Germans have agreed to the allied demand for delivery of 2,000,000 tons of coal monthly, with three new conditions, it is announced.

The conditions were these:

1. The German government to have the distribution of the Silesian coal, or be allotted 1,500,000 tons monthly for northern Germany instead of the present allotment of 1,200,000 tons.

2. A mixed commission to be sent to Essen to examine food and housing conditions.

3. The allies are asked to advance money or provide credit for importing additional food for the entire German population.

The opening of the pearl-diving season, the great event of the year in the French settlements, comes in July. Diving is not permitted for two years in succession at the same island. The various pearl islands are opened in rotation. This means that all gear, stocks of merchandise and building material must be taken to a new island each year—no small undertaking when it is remembered that the coral atoll which in ordinary times supports less than 200 persons becomes, in the diving season, the abiding place of 2,500 or more. This year the open island is Hikueru, one of the Paumotu archipelago, 400 miles to the eastward of Tahiti.

Resolute, America's cup defender, was forced to quit in the first race of the international cup test at Rockaway, N. Y., when leading the Shamrock IV. at the halfway mark. Parted throat halyards forced her withdrawal. The Shamrock continued on and finished the course well within the six-hour limit in which she had to finish to win the race.

Gen. Carloe Garcia has been captured by government forces, according to a dispatch from Monterey to the Universal, Mexico City. Gen. Garcia is chief of staff of Gen. At least 500 Turkish nationalist troops were killed by Greeks in an engagement northeast of Brussa, according to the following communique issued at Greek army headquarters Thursday: "We surrounded and annihilated the enemy northeast of Brussa. Five hundred dead have been counted. Six hundred prisoners were taken."

ENGLAND'S LEADING SIRES

Polymelus, Spearmint, The Tetrarch, Captivation, Tracery.

Honey Bee's Promising Start—Sceptre's Days as a Producer Seem to Be Over.

(BY E. E. COUSSELL)

LONDON, England, June 18.—So far this year there has been seven winners by Polymelus. They include at least two good ones in Cinna, which is probably our best three-year-old filly, and Polumetis, the brother to Corcyra. He may be up to classic form later in the year. The other winners by Polymelus are Silvern (which beat Tetratema at Newbury), Pelops, Paladin, Powerful and the two-year-old Napolyon.

Spearmint is also responsible for seven winners so far this year. Spion Kop is his best. There is also Lord Archer and Eagle Hawk, the two-year-old half brother to The Panther. Spearmint's other successful offspring are Verbena, Cold Steel, Minstrel and Mr. Eustace. On the whole, they do not compare with the winners credited to Polymelus.

The Tetrarch is responsible for five winners so far. Tetratema stands out by himself. There is also his brother, Arch Gift, as well as Royal Alarm (sold for $8,000 as a yearling), and Caligula, a good-looking gray brother to the Irish Oaks winner Snow Maiden. He fetched $16,500 as a yearling. The Tetrarch's only successful youngster so far is Precious. He is a brown colt, dam Zoara. Sir Hugo Cunliffe-Owen paid $26,000 for him at the Newmarket July sales in 1919.

Captivation, by Cyllene, is having a good year and so far, in addition to the Newbury Cup winner Grandcourt, is responsible for four two-year-old winners. They include Oxendon, a winner of three races, and Belsize, the best two-year-old to date in Ireland. The last named, from Chancery, is a half sister by Eager, to Challacombe, the winner of the St. Leger in 1905. This reminds me that Lord Derby has recently bought in France from the Duc Decazes, a good mare named Helen Maria, by William the Third—Lady Chancellor. She has, I believe, been bred to Negofol, sire of Hourless.

SUCCESS OF HONEY BEE, AN OBSCURE SIRE.

Orby has had three winners, namely the speedy Parella (which cost $50,000 last year when she was sold privately), Orby's Pride and Lady Orb. Junior has come to the fore with three winning two-year-olds in Zeldenia, Devoir and Helenora, filly. Tracery has two juveniles so far, but they are really good ones, in Ste. Claire II., filly, and Monarch.

Monarch gave an impressive performance in the Spring Stakes. He carried his penalty gamely and when challenged by Lockroi coming up the hill drew away to win by two lengths. The son of Tracery is not a big one, but is a rare good looker. Some critics object his tail is put on badly! Rockroi was making his first start and surprised his owner and trainer by running so well, as he had been performing indifferently in his home gallops. He is the $32,000 son of Prince Palatine and Rock Garden.

An obscure young sire to make a show is Honey Bee, which has sired the two-year-old winners Broadford, Bumble Bee and Wild Honey. He is by Tredennis—April Flower, by Florizel II., from a half-sister to St. Serf and Atalanta, the dam of Ayrshire. Honey Bee is in the stud in Meath, Ireland, at a fee of $25. He won his last race as a five-year-old at Pheonix Park in 1915. It was run over five-eighths mile and he won by one and a half lengths with 125 pounds, beating eighteen others. Honey Bee was afterward sold for $425. Obviously on what his stock has done to date Honey Bee was ridiculously cheap. Both Broadford and Wild Honey were bred by Pat Rogers, who owns Honey Bee. He is a well-bred horse, and as he has got these winners from poor class mares it is apparent that he is a promising proposition.

He may be another Tredennis. The latter, however, could not win a race. He cost the late Mr. Lowry $3,750, yet five or six years later on what his offspring had done he refused $100,000 for him.

I note in the 1919 official list of foalings there are brothers to Broadford and Wild Honey. Only nine mares were bred to Honey Bee in 1918, and of these three were barren.

Referring to the Foal List of 1919, the year previous thirty-five mares were bred to Tracery, which sired nineteen living foals and had twelve barren mares. Eos, the Cambridgeshire winner, which was sold at the last December sales for $55,000 to Sir Gilbert Greenall, has a chestnut filly on which has been bestowed the name of Rorodaktylos. Signorinetta, the Derby and Oaks winner, also bred a chestnut filly to Tracery in 1919. Hamoaze, the dam of Buchan, has a bay yearling colt, Tamar, by Tracery. He, of course, belongs to Lord Astor.

SCEPTRE'S PRODUCING DAYS MAY BE OVER.

Polymelus did not have such a heavy season and from the twenty-nine English mares mated with him he got twenty foals, of which three died. Included in the list is a sister to Pommern. The latter himself was uncertain when he first went to the stud, but the official figures show that there need now be little doubt as to his virility. He got twenty-one living foals from thirty-two mares.

Sceptre was on Sunstar's list in 1918, but proved barren last year. It is to be feared that her breeding days are over. It is noteworthy, however, that no fewer than four daughters of Sceptre all visited Sunstar in 1918, and all four had foals. Maid of the Mist had a bay filly, Miss Wise, which is a sister to Sunny Jane, winner of the New Oaks at Newmarket in 1917, when she defeated Diadem. Queen Carbine foaled a bay filly since named The Meteorite. I recently saw that filly, now owned by Lord Wilton, who gave $30,000 for Queen Carbine in foal to Sunstar. This is a promising well made filly. Curia, dam of Embassy, bred a chestnut colt named Sun Cure, and Sceptre's Daughter bred a chestnut filly by Sunstar. Sir E. Hulton's Fifinella, the winner of the New Derby and the New Oaks at Newmarket in 1916, also bred a chestnut filly, Fifine, to Sunstar in 1919. Rock Garden, the dam of Rockroi, produced a brown filly. Rockroi, two years, was sold for $32,500 as a yearling. A few months later Martin Gurry privately sold Rock Garden with her Sunstar foal to the Sledmere Stud for $20,000.

HUNTING, FISHING AND SPORT.

In Illinois and Kentucky the squirrel season opened on July 1.

More fish, it is claimed, have been taken out of White River, near Muncie, Ind., this year than at any other time since the oil boom, according to Edward Bender, a well-known Muncie fisherman.

Susette, formerly star chimpanzee actress, now an inmate of the Bronx Zoological Gardens, is the fond mother of the first infant of the species ever born in the United States and the second ever born in captivity.

The weather in Illinois this season up to the present writing has been exceedingly favorable—except for two or three heavy rains—for the nesting, hatching and rearing of ring-neck pheasants, prairie chickens, Hungarian partridge and quail; consequently there should be more of all of these species of game birds this autumn in the state than has been seen before in twenty-five years.

VOLUME I., 1920, Is Now on Sale

THIS BOOK CARRIES

indexed form charts of all recognized racing in the United States, Canada, Cuba and Mexico, has supplanted all others for the use of racing officials and is universally used by jockey clubs throughout the world. Compact, accurate, perfectly printed, with absolutely correct index, on linen paper, lettered, and bound in flexible leather. Contains, besides charts of all recognized racing on American tracks, the American and Canadian time records, scales of weights of various governing bodies and records of jockey mounts in the United States, Canada and Mexico, for the year.

The Special Attention of Students of Form

is directed to the method of indexing the charts. The index shows each and every start of all horses that have raced, with firsts, seconds, thirds and track conditions designated on the occasion of each and every start. By means of this innovation it is possible for the user of the Form Book to instantly determine a horse's ability to run on any sort of track concerning which information is desired, as shown in the following example:
